WORK EXPERIENCE

Weber State University

Ogden, UT

UI/UX Developer

August 2023 - Present

- Partnered with university stakeholders to design and maintain over 120 student-facing websites, increasing student usage of key on-campus resources and reducing calls to support departments by providing intuitive self-service solutions.
- Prototyped and designed responsive mobile-first web pages using HTML/CSS while ensuring WCAG accessibility standards and adapting desktop experiences for optimal performance on tablet and mobile devices.
- Collaborated with marketing and graphic design teams to increase student retention and perseverance.

Various Clients

Remote, US

Instructional Design Consultant

February 2022 - June 2023

- Designed and developed comprehensive e-learning modules and Canvas LMS courses for new employee onboarding across multiple industries.
- Engaged with Subject Matter Experts (SMEs) to translate complex information into engaging, interactive, and user-friendly training modules.
- Managed project schedules and deliverables for clients including Instructure, 21stCentEd, Florida Atlantic University, Theta Marine Group, and United Nations Institute for Training and Research (UNITAR).

Utah State University

Logan, UT

Graduate Teaching Assistant

September 2021 - May 2023

- Evaluated learning outcomes for over 180 undergraduate students enrolled in a Breadth Creative Arts course.
- Actively monitored the Canvas LMS course to enhance the learners' experience with the content and assessments.

Academic Advisor

February 2021 - August 2021

- Designed and delivered instructional workshops to orient incoming students to their major and outline degree paths and expectations.
- Utilized data analytics (Argos, Salesforce, Excel) to identify and implement necessary academic interventions

Degree Works Peer Advisor

August 2019 - February 2021

- Redesigned a professional development program to enhance peer advisor effectiveness and professional growth.
- Developed and centralized training modules to a centralized Canvas page for over 35 Peer Advisors campus-wide.
- Partnered with various university departments to promote and integrate academic planning tools, improving user adoption and efficiency.

A-Team Peer Mentor

January 2019 - January 2020

- Facilitated engaging orientation sessions for over 100 students, introducing university support resources.
- Maintained current knowledge of university policies and resources to provide accurate guidance and support to students.
